

Lead the European Neuromuscular Centre (ENMC)

Are you a leader with a passion for making a meaningful impact in the neuromuscular field? We are seeking a dynamic Managing Director to spearhead our initiatives and drive the ENMC's mission forward.

Who We Are

The European Neuromuscular Centre (ENMC) is a non-profit organization driven by European Patient Organisations. Our commitment is to foster communication, collaboration, and advancements in the field of neuromuscular research. Through our workshops, programs, and strategic initiatives, we strive to improve diagnosis, prognosis, and the overall quality of life for those affected by neuromuscular disorders.

Your Role

As the Managing Director, you will be at the forefront of our operations, leading a small, dedicated team and working closely with the Executive and Research Committees. Your key responsibilities will include:

- Providing strategic direction and overseeing the implementation of our long-term vision.
- Cultivating and expanding our global network while forging new collaborations.
- Managing finances, fundraising, and effectively engaging with stakeholders.
- Fostering a collaborative and supportive work environment, driving impactful change in the field.

Your Profile

We are seeking a team player with leadership skills and a track record in managing teams and budgets. While experience in the neuromuscular disorder field is advantageous, it is not a requirement. If you possess the following attributes, we encourage you to apply:

- A diplomatic approach to working with diverse committees and stakeholders.
- A proactive mindset, seeking innovative solutions and seizing opportunities.
- Proficiency in written and spoken English, enabling effective communication on an international scale.
- Ideally, a background in relevant fields such as Biology, Neurology, Public Health, Movement Sciences or a related discipline.
- Previous experience in an international organizational setting is preferred.
- Strong communication skills catering to diverse audiences, including professionals and the general public.

What We Offer

We offer a fixed-term employment of 0,5-0,7 fte (18-25 hours). Working conditions are in accordance with the CAO Zorg en Welzijn. We provide a flexible and informal work environment, offering a competitive salary commensurate with your qualifications and experience. You will have the opportunity to work from our accessible office space in Baarn, the Netherlands, with the option of remote work for part of the week.

How to Apply

For more detailed information about the role, please contact Ingeborg Meijer, Vice Chair of the Executive Committee, at +31 6 10080466 or ingeborg.meijer11@gmail.com. To apply directly, send your CV and a compelling motivation letter to ENMC@enmc.org before the 20th of November 2023. Visit www.enmc.org for additional information.

Join us in shaping a better future for those affected by neuromuscular disorders.
